Dear Sirs,

The Training and Placement Cell is organizing an Alumni Talk tomorrow from 12 to 1 pm at the Seminar Hall for the 6th and 8th sem students of all branches.

The two alumni are Hitha Uchil and Rajath of Mech Dept. Hitha has completed her MTech and has found a job in Canada, while Rajath has just completed all his formalities and is ready to fly to Canada

This talk will help students across all branches who aspire to go to Canada for Higher Studies/Immigrate or for work opportunities to understand how they can prepare for Canada in terms of admissions, life, culture, etc.

Your support is requested to ensure that students attend this as a career guidance talk.

Good Wishes,

SMVITM

Dear Students,

A talk on GATE exams and preparation is being organized by the Training and Placement Cell for all 6th and 8th sem students

This talk will be useful not only for all students who aspire to do MTech in IIT or IISc, or for Apprenticeships/Jobs in State or Central Govt, but also to guide your siblings, or for guiding somebody in the future.

All students are invited to this talk as a Career Guidance orientation.

Venue: Admin Hall, Seminar Hall

Time - 12 noon to 1 pm

Resource Person - Mr. Akshay from Prep Ladder.

With Regards,

Shrikantha Mithanthaya

Office Assistant

Activity Report

Academic Year	2021 - 2022
Name of the Program	TIME talk on Competitive exams
Date	11 May 2022
Target Audience	6th and 8th sem Students
Resource Person	Mr. Hebbar from TIME Institute, Mangalore
Number of Participants	84

Detailed report on the Activity:

The Training and Placement Cell has arranged a talk on competitive exams like CAT and GRE for students interested in higher studies. The resource person is Mr. Hebbar from TIME Institute, Mangalore.

Mr. Hebbar started the talk with the question of Why....the need for Higher Education, how important it is to study further in a professional life, whether to go for higher education soon after Engineering or a couple of years down the line or five to ten years down the professional lane.

He shared the various options one can do after Engineering – MTech/MS/MBA in India or Abroad and which competitive exams one needs to give to get seat for each of these study options, thus introducing the topics of GATE, GRE, GMAT, TOEFL, CAT, etc.

It was important to pursue higher education in a well-recognized university and highlighted the advantages of doing it in a renowned university like the IISc, IIM's, IIT's etc.

Sharing information on each competitive exam like GATE, he highlighted the cut off percentage to clear the exams and emphasis on preparing for GATE a year in advance at least through a thorough understanding of the GATE test patterns, doing mock tests, in Engineering Maths and Aptitude and core subject focus. He said at least 2-3 hrs every day practice is important to prepare for GATE.

While GRE preparations can be less stringent as they were held regularly throughout the year, he mentioned that the GRE scores were important to get into a foreign university a score of anywhere above of 300 is a good score out of 340. It was also possible to get seat in a foreign university through less scores but job prospects could get challenging he warned.

Identifying the right University and college to specialize in and being focused on the topic of specialization was important. He also shared the importance of English through the TOEFL exams for getting a seat in any foreign university for MBA and MS programs.

Lastly, he emphasized that MBA was important if the student aspires to be an entrepreneur. This course whether abroad or in India helped to manage different facets of a business and defined the different areas of specializations and best colleges across India to do an MBA
