

Activity Report

Academic Year	2021 - 2022
Name of the Program	Peer Teaching session
Date	13 September 2021
Target Audience	Final year students
Resource Person	Raunak Choudhary
Number of Participants	54

Detailed report on the Activity:

As many final year students are be facing Aptitude tests of different companies from now on, the Training and Placement Cell of SMVITM has arranged a Peer Teaching session by our student Raunak Choudhary, 2021 batch pass out for all students of 2022 batch.

The theme for the session: Logical and Programming basic tips - 13 Sep 2021, from 1 to 2 pm through Google Meet.

This session was especially useful for Civil and Mech students who will need coaching on the basics of programming - Python, which will be useful in the future with many core companies getting automated. This multidisciplinary knowledge will be beneficial in such a situation.

Dear Raunak,

Greetings!

PFA the Appreciation letter for the Peer Teaching Session that you conducted for the Juniors on 13 Sep 2021.

We appreciate the effort and your interest in taking up this initiative

I look forward to many such knowledge-sharing sessions in the future.

Wishing you all the best and blessings always!

Good Wishes,

SMVITM

Dear Mam,

Thank you for trusting me and providing me such a great opportunity to share my knowledge with my juniors. It was my pleasure, spending such a valuable time with juniors.

Hopefully, the session was helpful for the students. I would definitely like to share my knowledge and motivate them in future events. Do let me know about such future opportunities.

APPRECIATION LETTER

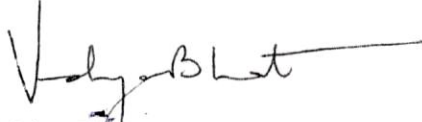

"Teaching is a great way to keep learning" – Matthea Harvey

You are not only a student, but a friend, guide and mentor to your juniors. We are proud of you and would like to acknowledge your contribution through this Peer Teaching session.

On behalf of the Training & Placement Cell, I would like to acknowledge the efforts of Mr. Raunak Choudhary, student of the 2021 pass out batch, Dept of Computer Science and Engineering, who has taken up the online session - "Logical and Programming Tips " on 13 Sept 2021, from 1 pm to 2 pm. This session was conducted for all the 6th sem students across all branches who were keen to sharpen their logical and programming skills.

I am sure that all the students who participated have gained a lot from this session to understand logical steps in programming and the tips Raunak has shared in terms of time allocation and management of the various categories of the tests of multinational companies of the IT/IS sectors.

We appreciate Raunak's effort and sincerity to share his knowledge and experience with his juniors so generously to get the juniors prepared for the recruitment drives of companies in the near future. Our heartfelt thanks for his contribution in taking up this initiative
