Detailed report on the Activity

The Training and Placement Cell in collaboration with the Maths Department conducted a High School Maths brush up session to strengthen the foundations of Maths among 2nd year Engineering students of all branches. The intention was to make it easy to flow into the Aptitude sessions with a strong base of mathematics which will be helpful to make Aptitude learning much easier. This was one of the initiatives taken up to prepare them for the recruitment process of companies in a more structured way.

All the faculties of the Maths Dept and Mr. Sudhir Bhat of the Mechanical Dept were committed to this initiative which was initiated as part of the online timetable during the lockdown period from 25 May 21 till 09 July 2021. The online sessions will continue till the end of the semester.
