Activity Report

Academic Year	2019-20
Name of the Program	Skilling Engineers For Professional Success
Target Audience	VI Sem Civil, ECE
Number of Participants	49
Date	15th October 2019
Resource Person	Sri. Shridhara Avabhrath (I.T. Dept.) and Sri Shivaji Kanase (Sr. A.S.T.E.)

Konkan Railway conducted training program for VI SEM Civil, ECE students in order to make them aware of the working of various engineering streams in Railways, to create awareness of the railway working in totality to create awareness of various career options available for them after they pass out from their college as engineers.

The training conducted at Konkan Rail Academy, Near Madgaon Railway Station, Salcete, Madgaon, Goa - 403707.

The training proved to be an excellent exposure to the actual working of the railways. The various techniques and instruments that are used for communication in the railways and the theory behind them was thoroughly dealt with. The Konkan railway is a life line link to all the people of the western coast who live in metropolitan cities like Mumbai and Mangalore. It has served as a business booster to many small and medium scale industries along the coast.

Skilling Engineers for Professional Success

Respected Sir/Madam,

Konkan Railway (KR) has started a training program for all Engineering and Diploma students (except first year students) in order to make them aware of the working of various engineering streams in railways, to know the railway working in totality and various options available for them after they pass out from their college as engineers. The objectives of the program in brief are:

- To provide a comprehensive training in Engineering and Soft Skills
- Technical training in working of Railways by field experts
- To make practical exposure to engineering working on field
- To provide knowledge of latest technologies and see them in action
- To encourage to start own enterprise as railway contractor
- To make better skilled for railway employment
- To provide guidance on recruitment in Government Sector
- To provide internship ranging from 15 days to 2 months

The training program is of 7 days' duration and includes 5-day classroom training & 2-day field visit to KR site for practical exposure to field working.

The program is proposed to be held at KRA centres at Madgaon, Bhatkal and Mangalore. Program will be organized either during college session (if college agrees) or during college vacation as per trainee's convenience.

The fee structure will be Rs. 11,500/- + GST (18%) i.e. Rs. 13,570/-, which includes food and accommodation for 7 days. The DD of the above amount to be drawn in favor of "Konkan Railway Corporation Limited" payable at Karwar.

The program includes giving free training for 2 BPL category students in every paid batch of 20 students (i.e. 20+2). The same shall be confirmed with the submission of BPL certificate issued by Government and copy of IT return filed by their parent.

To take care of safety & responsibility of trainees at the time of training & field visit, it is decided to take one faculty from concerned College for every batch for which cost shall be borne by KRCL.

The faculty for this training program will be KR officials from various safety departments & retired Railway officers for taking one session on career guidance. There would also be one session on Government and Railway Contract conditions, procedures etc.

Note: The slot for the said course may please be confirmed 2 months in advance, otherwise the accommodation charges on actuals have to be borne by the trainees themselves.

The Principal

SMVITM

Respected sir,

I am a student in the IV Semesters, Civil of SMVITM. I have applied for the Konkan Railway training conducted at Madgoan, Goa for 7 days. I was eligible and had applied for their free training.

This letter is to request a full refund of Rs 13,570. Bank account details and payment receipt is enclosed with this letter.

Thank you for your attention and I look forward to receive the full refund.

Sincerely,

Sachin
