Respected Madam,

Greetings from Konkan Railway!

As per our discussion, it is our pleasure to inform you about a training program which we organize exclusively for the engineering students from Civil, Mechanical, Electrical, Electronics and Computer Science disciplines. The program is intended to give practical training of various engineering streams in railways and get the students acclimatized to latest technologies and actual ground working. Field experts with years of work experience behind them, take sessions in the program. The program takes the students beyond theoretical levels.

It would be our pleasure to make a online presentation to your students about the above program on any convenient day. We would like to apprise you that, students from various engineering colleges who have undergone this program earlier have found the program very educative and useful.

*For your kind information, enclosed proposal letter having more details on online course format & fee structure.*

If you wish any further details, kindly let us know and we shall be glad to revert.

Thanking you

Sir,

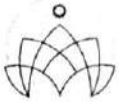

Thanks for the link. There is a slight change in the batches. The timings remain the same - 2.30 to 3.30 pm

06 Oct, Tuesday - Civil and ECE students of 3rd and final year.  
07 Oct, Wednesday - Mech students of 3rd and final year.

Many students of ECE have completed their internships and hence with only a handful, I have clubbed them with the others.

I have told them that this orientation will help them with job opportunities through GATE and Non-GATE, current ongoing projects in this region where they will have scope for employment, etc.

Good Wishes,

Dear Students,

For all the 3rd year, 5th Sem students, you will be well aware that you will need to complete your internship in the final year semester vacation (6th to 7th sem onwards)

With Konkan Railways, if you do the SEPS training program of 12 days during this/next semester, you will be eligible to do the internship of 30 days free during the semester vacations (6th to 7th sem) which will help you fulfill your internship requirement for the final year. We will need at least 20 students to form a batch from each branch.

In addition, those students who are interested to get employment in the Govt sector, especially with Konkan Railways, candidates completing the SEPS program will get first preference over other candidates for the various openings at Konkan Railways.

For this purpose, the Training and Placement Cell is organizing an online orientation of the SEPS training and employment opportunities at Konkan Railways for all of you as per the link mentioned below -

Kindly find the Zoom Meeting link/ID for the SEPS presentation starting from 07/10/2020 at 02:30 pm

The training program is of 7 days' duration and includes 5-day classroom training & 2-day field visit to KR site for practical exposure to field working.

The program is proposed to be held at KRA centres at Madgaon, Bhatkal and Mangalore. Program will be organized either during college session (if college agrees) or during college vacation as per trainee's convenience.
