Report on TCS Ninja Company-Specific Training at SMVITM

Date: July 27th & 28th, 2019

Venue: SMVITM Campus

Introduction: Tata Consultancy Services (TCS) conducted a company-specific training program for the students of SMVITM on July 27th and 28th, 2019. The training aimed to prepare students for the TCS Ninja recruitment process and enhance their employability skills.

Objective: The primary objective of the training program was to familiarize students with the recruitment process of TCS Ninja and equip them with the necessary skills and knowledge required to excel in the selection process.

Program Highlights:

Technical Sessions: The training program included technical sessions conducted by experienced professionals from TCS. These sessions covered various technical topics relevant to the TCS Ninja recruitment process, including programming languages, data structures, algorithms, and problem-solving techniques.

Mock Interviews: Mock interviews were conducted to simulate the TCS Ninja interview experience. Students had the opportunity to practice their interview skills and receive constructive feedback from trainers and industry experts.

Aptitude Training: Special emphasis was placed on aptitude training to help students improve their quantitative aptitude, logical reasoning, and verbal ability skills, which are essential for clearing the TCS Ninja written test.
