December 7, 2023

Program Name:	Applied A.I Solutions Development	Program Start Date:	January 8, 2024
Program Code:	T431	Semester/Term	1 - Winter
Campus:	Casa Loma	ID Number:	101538545

Dear Deepta Lokanath,

Registration has started at George Brown College!

Helping you plan for Winter 2024

At George Brown College your health and well-being are our first priorities. We deliver programs and student services on campus and in hybrid and online formats. Please check the updated Program Delivery List for Winter: https://www.georgebrown.ca/programs/winter2024delivery for details on the exact delivery format for your program. We do not require health screenings or proof of vaccination to enter college buildings. However, students in some of our academic programs interact with vulnerable individuals. These special settings are subject to additional requirements, and proof of vaccination is a requirement. Please check your program page to see if there are any special requirements for your program: https://www.georgebrown.ca/programfinder

You are just a few steps away from beginning your studies at George Brown, where you will benefit from our strong relationships with employers both within the GTA and throughout the world. Our programs are developed in consultation with industry experts. Many of these companies partner with George Brown to offer hands-on learning opportunities to our students and may be a potential resource for future employment.

Students who received a Statement of Estimated Fees from the International Centre for the upcoming semester and paid the fees by the due date found in their Letter of Acceptance should disregard the due date in this letter. However, if the fees are different, the fees amount in this document supersedes that of the Statement of Estimated Fees.

Please read this letter carefully as it contains all of the information that you require to register. Courses and sections can fill quickly. Ensure that you have the best possible options by registering as soon as your registration time period is open (see below). In order to help you with this process, we have prepared the following list:

Pay Your Fees
- Your non-refundable deposit payment must be received by George Brown by the due date on your invoice.

* *Normalized marks for Civil Engineering (CE) paper*

** *A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.*

General Information

The GATE 2023 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q)\frac{(M - M_q)}{(M_t - M_q)}$$

where,
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2023 scorecard
M_q is the qualifying marks for general category candidate in the paper
M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
$S_q = 350$, is the score assigned to M_q
$S_t = 900$, is the score assigned to M_t

In the GATE 2023 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2023 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2023 was organized by Indian Institute of Technology Kanpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

Explanation of Offer of Admission (Letter of Acceptance) Fields

Estimated Tuition Fee for Two Semesters:

The amount reflected in this field can be used as an estimate of tuition fees for the first two terms of your program. If the length of the program is less than two semesters, the amount shown here still reflects the amount for two semesters. You can review the Length of Program field for a more accurate indication of the expected program duration. Tuition and ancillary fees are subject to an annual review and may change over the duration of the program.

Co-op/Work Placement:

Your program may include work experience as part of the curriculum. If the co-op/work placement section of your letter of acceptance is "Yes", you should apply for a co-op work permit together with your study permit application. senecacollege.ca/international-study-permit

Conditions of Acceptance:

If a condition is listed here, your offer is conditional upon Seneca receiving proof of successful completion of the listed requirements. Conditions listed here must be met by the first day of scheduled classes. Please submit all required documents to theservicehub@senecacollege.ca as early as possible to avoid delays in your enrolment process.

Letter of Acceptance Validity Date:

The date shown here represents the date that this letter is no longer valid for the purposes of a visa/study permit application to attend Seneca for the program and start-date listed. If this date has passed, a new application and Offer of Admission (Letter of Acceptance) is required.

Please note: This date is not related to the fees due date.

Estimated Cost of Living:

The estimated cost of living (e.g. room and board, transportation) for an international student studying and living on their own in Canada is $14,364 for a 12-month period.

* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.

General Information

The GATE 2023 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q)\frac{(M - M_q)}{(M_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2023 scorecard

M_q is the qualifying marks for general category candidate in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to M_t

In the GATE 2023 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2023 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2023 was organized by Indian Institute of Technology Kanpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.
