Detailed report on the activity:

The Co-Curricular committee conducted the college level “TCS TechBytes Round One Test” for BE students of all streams and semesters of SMVITM on February 12, 2021.

The program is an initiative to help engineering students keep pace with the evolving technology landscape - in the process enhance their lateral thinking process and inculcate the spirit to compete and excel. The quiz serves as an alternative platform to enhance awareness and confidence levels of aspiring engineers while bringing them in sync with the current developments in the technology sphere through an interactive and engaging quiz platform. “TCS Tech Bytes” strives to provide a better understanding of IT as technology today is an enabler in diverse fields – be it engineering, medicine, law, sports, science, movie, music, government, automobile, telecommunication, etc.

The College Level test will select 20 Best students by using the enclosed model question paper. The test should write individually. 50 students of all streams and branches are registered for the test. 15 students have taken the quiz and qualified for the next round.
