Activity Report

Academic Year	2021-2022
Name of the program	Paper bag preparation-competition
Date	09.12.2021
Number of Participants	24

The Paper Bag Selling Competition held on 9.12.2021 was an innovative and environmentally conscious event that aimed to promote the use of eco-friendly alternatives to plastic bags while fostering entrepreneurial skills among participants. This competition provided participants with an opportunity to design, produce, and sell paper bags, promoting sustainability and raising awareness about the importance of reducing plastic waste.

The competition aimed to raise awareness about the environmental impact of plastic bags and the importance of transitioning to sustainable alternatives. Participants were tasked with designing and producing paper bags using eco-friendly materials such as recycled paper, cardboard, and biodegradable adhesives. They were encouraged to showcase creativity in design and branding, making their paper bags attractive and appealing to customers.

24 students participated in this event. Students were asked to sell the prepared bags to near by shops, the one who sold maximum bag was declared as the winner of the event
