The Antyakshari Competition held on 28 September 2020 at Seminar hall 2 was a lively and entertaining event that brought together students, faculty, and staff for an evening of musical camaraderie and fun. This traditional Indian game of Antyakshari, which involves participants singing songs based on the last letter of the previous song, provided a platform for participants to showcase their knowledge of music, collaborate with teammates, and foster a sense of community within our institution.

The competition followed the traditional format of Antyakshari, where teams took turns singing songs based on the last letter of the previous song. The competition was divided into multiple rounds, with teams being eliminated based on their performance in each round, until a winner was determined. All the participants were enthusiastic, the event was coordinated by Mr. Mallya Ananth Mohan.
